The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

Applications for enrolment to the College after First Year enrolment are assessed on an individual basis. St Kevin's College does not encourage the transfer of students currently pursuing a course at another school but consideration will be given to the following applicants:

- recently taken up residence in the catchment area
- siblings previously enrolled in the school
- exceptional circumstances determined by school management

Students who request a transfer from another post-primary school to this College will be supplied with the Enrolment Policy and are required to:

- Meet the Principal or Deputy Principal, accompanied by his parents/guardians to discuss previous progress and ongoing commitments to study and good behaviour;
- Complete a transfer reference form;
- Give an honest and forthright explanation as to why the transferring student has left his existing school;
- Have read the College's Code of Behaviour, agree to obey and accept it by signing it as required on the enrolment form;
- May undergo a probationary period in some cases, to be reviewed in a time set by management.

The Principal on behalf of the Board of Management will decide whether or not a transfer:

- Is in agreement with School Admission Policy
- Is in the best interest of the student
- Is in the best interest of the school
- Is of educational benefit to the student

All relevant information from the former school must be made available. A consultation with the Educational Welfare Officer may be necessary.

Where a student is considered for a place, the decision will be taken by the principal on behalf of the Board of Management, in consultation with the student's parents/guardians, his former school, the education welfare officer, whether such a place may be offered, immediately, or whether it would be better to wait until the beginning of the next academic year.

All such applications will be considered on an individual basis, subject to the availability of a place at the time of application. Application Forms are available from the school office on request. A copy of this Admissions Policy will accompany each application form.

Applicants must meet the school's entry criteria, and furnish a full and honest reason for seeking a placement in St Kevin's

Applicants who have been expelled/permanently excluded from a school, or for whom a process has begun which may lead to expulsion/permanent exclusion, will be required to make full disclosure of the circumstances leading to their expulsion or possible expulsion. Applications from such applicants will be considered by the principal on behalf of the Board of Management when it is satisfied that there has been full disclosure.

In the event of a section 29 appeal taking place regarding the applicant's expulsion, the principal on behalf of the Board of Management will not consider the application till the appeal process has been completed. The principal will then decide on the application and will not enrol an applicant where the board concludes that to enrol him would pose a risk to the safety and wellbeing of other students or school staff.

Applicants must complete the application form, giving all of the details required. Incomplete forms will be returned to Parents/Guardians. Parents/Guardians should sign the application form and date it. Parents/Guardians are required to provide an emergency contact phone number.

Applicants will be required to furnish details about their prior second-level education including copies of their last two school reports that set out the actual results of in-house examinations. Where an applicant has attended more than one second-level school they may be required, at the discretion of the Principal on behalf of the Board of Management to submit reports from each school. Where appropriate, applicants may be required to submit copies of the results of any state examinations which they have sat.

Applicants are required to submit a reference from their previous school(s). Applicants may be required to complete a further information form regarding their child's educational progress at a later date. Where the school considers it to be necessary the school may require an applicant to provide a current education psychological assessment report. Failure to complete any of the necessary documentation listed above, within a reasonable timeframe, or to supply any other relevant documentation requested by the school may result in an applicant being refused admission to the school

Decision Making Process: Decisions regarding admissions are a matter for the Board of Management. However, this task is delegated to the Principal who decides on such matters in accordance with the school's admission policy.

Admissions for any school year will be considered as soon as possible after the application is received. The school will respond to each application within 21 school days of receiving it but may not be in a position to make a decision on some applications until later in the school year when its current students have given an indication to the school authorities of their intention to return to the school in the forthcoming school academic year. This will certainly be so in the case of applications for senior cycle courses, as the school may not yet have begun to survey its own students about their preferences for senior cycle.

A decision will be made in respect of each application following the timing above and the selection criteria set out below and is subject to the class size limitations imposed by the Board of Management for different subject areas and the capacity

of the school to provide the academic subjects sought by the student at an appropriate level i.e. higher/lower.

Enrolment Criteria: Applicants must meet any criteria laid down by the Department of Education and Skills where available e.g. applicants must not have already spent six years at second-level or apply for a course which would necessarily result in their spending longer than six years at second level.

All students entering the school must supply an original Birth Certificate (returnable to the parent/guardian), a copy of which will be retained on school file/records or other appropriate identification as determined by the school.

The behaviour /disciplinary record of a student in their previous school (s) shall be an important factor. The school reserves the right to refuse to admit a student whose behaviour in their previous school has been deemed unsatisfactory or is a cause for health and safety concerns or where there has not been a satisfactory level of co-operation between the previous school and the student's parent(s)/guardian(s). The attendance record of a student in their previous school shall also be an important factor.

The availability of suitable places in any given year group shall be of paramount importance and shall be one of the determining factors of admission.

17. Arrangements regarding students not attending religious instruction

The following are the school's arrangements for students, where the parents or in the case of a student who has reached the age of 18 years, the student, who has requested that the student attend the school without attending religious instruction in the school. These arrangements will not result in a reduction in the school day of such students:

Parents of students and students (over 18) who wish to opt out of RE class should make a written request to the principal. A meeting will then be arranged with the parent or the student, as the case may be, to discuss their options. The non-instructional nature of the RE class, the emphasis on studying world religions and the opportunity for inter-faith dialogue will be pointed out in these discussions. Throughout this process the constitutional right of the parent/ student (over 18 years) will be respected by the school.

The 1998 Education Act states that schools are required to promote the moral, spiritual, social and personal development of students (Section 9 (d)). At St Kevin's College the allocated time on the timetable for Religious Education responds to this. Students who opt out of RE class are required to use this time to study material relating to their own religious tradition or belief, for example sacred texts. Students of no religious faith are required to study relevant literature or philosophical texts. A list of suggested texts can be provided by the school. In line with the Edmund Rice Schools Trust Charter, St Kevin's College places great importance on the religious or spiritual formation of all its students. Each student has his/her own personal journey which will be encouraged and respected. Students who opt out of RE class cannot be offered extra tuition or study periods.
